

RELIABLE FOOD & LOGISTICS
FOOD SAFETY POLICY STATEMENT

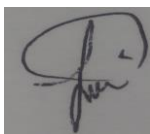

Reliable Food & Logistics Limited is a food trading company. We strive to provide safe and quality products to our customers through best food safety practices to ensure we meet and exceed our customer expectations.

In pursuit of this commitment, Reliable Food & Logistics Limited shall:

- Implement and maintain a Food Safety Management System in accordance with ISO 22000: 2018 International Standard and continually improve its effectiveness,
- Identify, evaluate and control all potential food safety hazards within the defined scope,
- Ensure all staff are competent in their area of expertise through periodic trainings,
- Incorporating the process approach and risk-based thinking principles in our work.
- Ensure effective communication to responsible parties on food safety related issues.
- Conform to applicable statutory and regulatory requirements and mutually agreed food safety and quality requirements of the intended users,
- Establish, review and update food safety objectives.

This policy shall be reviewed during management reviews for continued suitability and communicated to all employees and other relevant interested parties.
